Translating Dreams into Reality

QUICK CYBER SAFETY TIPS

THINK BEFORE YOU CLICK!

1

Hover/Hold Links:

Always check where a link really goes before clicking.

2

Verify Senders: Make sure you know and trust who sent the message.

3

Beware Urgency & "Too Good": Scammers rush you or offer unrealistic deals. Pause and think!

4

Secure Your Accounts: Use strong, unique passwords and enable two-factor authentication (2FA).
