Ind-Ra has placed the rating details on their website on 18/12/2019.

Rating Rationale:

As mentioned under Analytical Approach, the credit rating is driven by the standalone credit profile of CFHL since Canara Bank has indicated its intention of selling its stake in the Company as part of mobilising capital in light of government's direction.

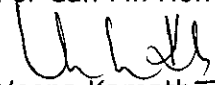

Further, the key rating drivers are indicated as `Canara Bank's Capital-Raising Plan includes Company's Stake Sale, proven track record and granular loan book of the Company, moderately diversified resource profile though largely institutional funded, Liquidity Indicator as adequate, Credit cost under control, above average leverage and stable profitability'.

This information is being uploaded on the website of the company <https://www.canfinhomes.com/>

This intimation is given pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Thanking you,

Yours faithfully,
 For Can Fin Homes Ltd.
