Notes to the Financial Results

1	As required by Ind AS 109, the company has developed a model to calculate expected credit losses (ECL). Summary results from this model indicate that the company is carrying provisions in excess of its requirements. The Company is required to provide provisions as per prudential norms prescribed by NHB/RBI. The provisions held as per NHB norms are in excess of the provision required as per the ECL model.					
2	The Company's main business is to provide loans for the purchase and construction of residential houses. Subsequently, the national lockdown was lifted by the government, but regional lockdowns continue to be implemented in areas with significant number of COVID-19 cases. During the quarter ended June 30, 2021, India experienced the "second wave" of COVID -19 and has resulted in re-imposition of localised lockdowns in various parts of the Country.</p> <p>The impact on the Company's operations and financial position, including the credit quality and requirement for provisioning, is uncertain and will depend on future steps taken by the Government/ Reserve Bank of India till such time that the economic activities return to normalcy, which is highly unpredictable. The Company will continue to closely monitor any material changes to the future economic/regulatory conditions. However, operating substantially in asset mortgage business, which is relatively stable asset class, no major impact is anticipated at this juncture.</p>

Limited Review Report on unaudited financial results of Can Fin Homes Limited for the quarter ended June 30, 2021 pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Board of Directors of
Can Fin Homes Limited, Bangalore

1. We have reviewed the accompanying statement of unaudited financial results of **Can Fin Homes Limited** ("the Company") for the quarter ended June 30, 2021 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time ("the Listing regulations").
2. This statement which is the responsibility of the company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS 34) "Interim Financial Reporting" prescribed under section 133 of the Companies Act 2013 as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of Unaudited Standalone Financial Results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian accounting standards specified in section 133 of the Companies Act 2013 as amended, read with relevant rules issued thereunder and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Listing Regulations read with relevant circulars issued by SEBI, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

We draw your attention to Note 4 to the financial results which describes the probable impact of the COVID-19 pandemic on the Company's operations and financial position, including the credit quality and requirement for provisioning, is uncertain and will depend on future steps as they evolve and is highly unpredictable at this stage.

Our opinion is not modified in respect of this matter.
