Greetings from Can Fin Homes!

The tax deduction/ withholding tax rate may vary depending on the residential status of the shareholder and dividend will be paid after deducting the tax at source/ withholding tax including surcharge and cess, as applicable.

All shareholders are requested to ensure that their details with reference to valid Permanent Account Number ("PAN") Status, email, Bank Account particulars are complete and updated in their account maintained with Depository Participant (in case of shares are held in dematerialised form) or with RTA (in case of shares are held in physical form).

In case tax on dividend is deducted at a higher rate in the absence of receipt of the aforementioned details/documents, you would still have the option of claiming refund of the excess tax paid at the time of filing your income tax return. No claim shall lie against the Company for such taxes deducted.

We seek your co-operation in the matter.
