REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

1. Introduction:

Can Fin Homes Ltd (also referred as Company or CFHL), was incorporated in the year 1987, "The International Year of Shelter for the Homeless". The main objective of setting up the company was, promoting home ownership and increasing the housing stock in the country. Company is having its Registered office at 29/1, Sir M N Krishna Rao Road, Basavanagudi, Bangalore 560004. The company has around 200+ branches/offices spread across various locations of the country and all these branches and satellite offices are linked to the Registered Office through a Core banking platform. Being a south based company, 70% of its branches are located in southern India and the remaining 30% in Northern India.

2. About RFP:

The Company intends for the Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches with dual path connectivity on fiber as primary preference by engaging a vendor to submit sealed proposals from who is well experienced in such activities. In this connection, Company invites sealed offers for Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches for Can Fin Homes in the shape of Three Part Bid System i.e. (Eligibility, Technical & commercial Bid) as per the Terms & Conditions, Requirements and Scope of Work described elsewhere in this document.

Note: This RFP should not be considered as a statement of intent for availing the services, unless a purchase order or notification of award is published by Can Fin Homes if any, as an end result of this RFP process.

3. Objective:

The Company is looking at a highly professional relationship with the Bidder for Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches with dual path connectivity on fiber as a primary preference.

4. Requirement Details

Company invites sealed offers from eligible bidders for Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) dual path connectivity for Branches with dual path connectivity on fiber as preference at Can Fin Homes Ltd as per the Terms & Conditions, Scope of Work is described elsewhere in this document. This RFP consists of the requirement as given below:

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

Sl. No	Item/ Description	Bandwidth	No of Links per location (Dual path connectivity)
1	Internet Leased Line (OFC) (1:1 uncompressed and unshared) with dual path connectivity for Branches (250+ locations)	Minimum 10Mbps	1 - Link with dual path connectivity.
2	Internet Leased Line (OFC) (1:1 uncompressed and unshared) with dual path connectivity for Registered Office (3 locations)	200 Mbps	1 - ILL (Registered Office) 1 - ILL (RO - Annexure Office) 1 - ILL (CPC/CDD Office) (All three links will be with dual path connectivity)

5. Eligibility Criteria:

- A vendor submitting the proposal in response to this RFP shall hereinafter be referred to as 'Bidder' and shall Provide Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) with dual path connectivity for Branches under five-year contract to Can Fin Homes shall hereinafter be referred as "Services".
- Interested Bidders, who can provide Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) with dual path connectivity for Branches to Can Fin Homes and meet the Pre-Qualification Criteria as per [ANNEXURE-III](#), may respond.
- Can Fin Homes, reserves the right to verify/evaluate the claims made by the bidder independently. Any deliberate misrepresentation will entail rejection/disqualification of the offer.

6. Scope of Work:

- The Scope of work shall include but not limited to the details as mentioned in [ANNEXURE-VII](#). Bidder has to conform compliance to the Scope of Work as mentioned in [ANNEXURE-VII](#). The bidders are required to go through the complete RFP document thoroughly. The obligation / responsibilities mentioned elsewhere in the document, if any, shall be the integral part of the scope.
- The Bidder should analyses, strategies and execute a well-defined network architecture for Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) with dual path connectivity on wired fiber media as primary preference for Branches of Can Fin Homes Ltd.
- Project Completion and Management:** For smooth completion of project, the Bidder should identify one or two of its representatives at Bengaluru as primary point of contact for the Company.

7. Bidding Process (Three Part Offer):

Bid shall have the following 3 (Three) parts; Eligibility conformity, Technical & Commercial. The three parts must be submitted at the same time but in separate sealed covers, giving full particulars, addressed to the Chief Manager - IT, Can Fin Homes Ltd, 29/01 - Sir MN Krishna Rao Road, Basavanagudi, Bangalore 560004 and duly super-scribed “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches for Can Fin Homes Ltd”, “Technical Proposal for Implementation, Installation, Commissioning and

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches for Can Fin Homes Ltd” and “Commercial for Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches for Can Fin Homes Ltd”. These covers should also indicate name, address and contacts of the bidder submitting the offers.

Part-A - Eligibility Conformity:

Indicating their compliance to Eligibility Criteria. The format for submission of Conformity to Eligibility Criteria is as per **APPENDIX-A**.

Part-B - Technical Proposal:

Furnishing the response to the Technical and Functional requirement specification for Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches for Can Fin Homes Ltd. The format for submission of Technical Proposal is as per **APPENDIX-B**. Technical proposal will NOT contain any pricing or commercial information at all.

Part-C - Commercial Proposal:

Furnishing all relevant information as required as per Bill of Material as per ANNEXURE-IX. The format for submission of Commercial bid is as per **APPENDIX-C**.

In the first stage, only Part-A will be opened and evaluated. Those bidders satisfying the eligibility criteria as determined by the CFHL and accepting the terms and conditions of this document shall be short-listed for Part-B.

The offers should be hand delivered at the given address before the stipulated date and time. In case designated date of bid submission is declared to be public holiday, the same may be extended to next working day at the same time.

7.1 Evaluation of Bids:

The technical evaluation and the commercial evaluation shall have the weightage of 70% and 30% respectively and this weightage shall be considered for arriving at the successful bidder. The evaluation methodology vis-à-vis the weight-ages are as under:

Technical scoring matrix:

Sl. No	Criteria	Weightage		Documents Required
	Sub-Criteria	Criteria Total	Sub criteria	
1.	Past experience of the bidder (track record)	20		
A	Bidder credentials, Experience and past performance on similar contracts for Implementation, Installation, Commissioning and Management of Internet Leased Line and/or MPLS links for Branches and Data centers to Banking/Financial/ Government departments/ PSU organization / Housing Finance/other companies More than 5 years - 10 marks ≥3 and ≤5 years - 6 marks ≥1 and ≤3 years - 3 marks Less 1 years - 0 marks		10	PO copies from the clients

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

B	Past Experience of projects for Implementation, Installation, Commissioning and Management of Internet Leased Line and/or MPLS links in BFSI sector organization/NBFC/ Scheduled Commercial Banks/ Government departments/ PSU organization/Housing Finance Company in India. 3 projects in last 3 years (4 marks each). *Aggregating to 10 marks.		10	As per format enclosed at APPENDIX -E
3	Bidder to submit Class A ISP category certificates and Valid ISP license certificates. No submission of above certifications - 0 marks	5	5	
4	Compliance to technical specification mentioned in Annexure - VII 1 Mark for each compliance point.	40	40	As per format enclosed at Annexure - VII
5	Percentage of Wired Fiber network PAN INDIA (250+ locations) 90% to 100% - 25 marks, 80% to 70%- 15 Marks, 70% to 60% - 10 marks, 60% to 50% - 5 Marks Between 50% to 45 % - 1 Mark. Below 45% - 0 Marks	25	25	Submit feasibility report.
6	1. Bidder presentation 2. Quality of solution approach Methodology and timelines proposed for the project delivery along with support services.	10	10	1. Presentation 2. Bid document covering mentioned points need to be submitted as part of PART-B submission
	Total	100	100	

7.2 The Company’s evaluation of the Bids will take into account the following factors and based on such evaluation the qualified bidders will be short-listed:

- Conformation to pre-qualification criteria.
- Compliance of terms and conditions stipulated in the RFP duly supported by certified documentary evidence called for therein.
- Review of written reply, if any, submitted in response to the clarification sought by the Company, if any.

7.3 CFHL reserves the right to reject an offer under any of the following circumstances:

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

- a) Offer is incomplete and/or not accompanied by all stipulated documents.
- b) Offer is not in conformity with the terms and conditions stipulated in this document.
- c) The three parts as stated above should be placed in three separate envelopes super scribed with ‘Part-A Conformity to Eligibility Criteria’, Part-B Technical Proposal and ‘Part-C Commercial Bid’ respectively and properly closed and sealed. Thereafter, all three envelopes shall be placed inside another envelope and properly closed and sealed.
- d) CFHL reserves the right to reject any or all RFP response or cancel the RFP without assigning any reason whatsoever at any stage.

8. Amendment of bidding documents:

- 8.1 At any time prior to the date for submission of bids, the company may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the RFP by amendments.
- 8.2 Amendments, if any will be notified through website to all prospective Bidders, to whom RFP is shared for submission of bids and will be binding on them.
- 8.3 In order to provide, prospective Bidders, reasonable time to take the amendments, if any, into account for preparing their bid, the company may, at its discretion, extend the last date of submission of bid.

9. Period of validity of Bids

Bids shall remain valid for a period of 90 days from the date of opening of commercial bid or as may be extended from time to time. CFHL reserves the right to reject a bid valid for a period shorter than 90 days of opening of commercial bid as non-responsive/non-compliant, without any correspondence.

10. RFP Requirements:

The Bidder shall comply with Scope of work narrated in [Annexure-VII](#) and adhere to the guidelines issued by Company time to time.

11. Timelines, Deliverables, Term of Service:

I. Project Timeline

- The Bidder is requested post acceptance of purchase order to complete the entire project within 4 months from the date as decided by CFHL. Bidder should be flexible to match their schedule with as per the requirement of CFHL.

II. Term of service

- This Contract for the service shall be for a period of five year(s) from the mutually agreed project kick off date and for additional two years as per company’s discretion.

III. Security

- Bidder should take adequate security measures to ensure the confidentiality of the information.

IV. Penalties / Liquidated Damages:

- **Liquidated Damages for non-delivery of Services:** Delay in completion of activities beyond the agreed timelines, shall attract a penalty at the rate of Rs. 1000/- (excl GST) per day

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

per location. However, the total penalty under this clause shall be restricted to 10% (excl GST) of the total project cost.

- **Penalties/ Liquidated Damages for non-performance:** If the bidder does not meet the requirements of the RFP during various assessments, the bidder shall rectify the same at bidder’s cost to comply with the requirements immediately to ensure completion of the activity.
- If any act or failure by the bidder under the agreement, contravention of the terms and conditions stipulated herein or the terms of Confidentiality agreement executed by Bidder with the Company reserves the right to impose a penalty, which may be equal to the cost it incurs or the loss it suffers for such failures.
- If the Bidder fails to complete the due performance of the contract in accordance with the specification and conditions of the offer document, the Company reserves the right either to cancel the order or to recover a suitable amount as deemed reasonable as and goodwill.
- Company may impose the penalty to the extent of damage to any of its equipment, if the damage was due to the actions directly attributable to the staff of the Bidder.
- All the above LDs are independent of each other and are applicable separately and concurrently.
- LD is not applicable for the reasons attributable to the Company and Force Majeure.

12. Service Level Agreements (SLAs) and Uptime:

The Bidder shall assume total responsibility for the fault free operation of the ILL links and maintenance of links for 24*7*365 days. The Bidder will accomplish preventive and breakdown maintenance activities to ensure that the link functions without defect or interruption.

12.1 During the term of the Contract, The bidder will maintain the link in perfect working order and condition and for this purpose will provide the following repairs and maintenance services:

a) For purpose of calculating penalty, uptime is calculated as under:

$$\text{Uptime (\%)} = \frac{\text{Sum of total hours during month} - \text{Sum of downtime hours during month}}{\text{Sum of total hours during the month}} \times 100$$

Uptime Requirement: The links should have 99.50 % uptime per month. If the uptime is not maintained for any month, the penalty will be charged asunder:

Per Link Uptime per month	Amount payable for supply of Bandwidth/Management and Maintenance
99.50% and above	100% of Monthly Bandwidth Charges
99.40% and above but below 99.50%	90% of Monthly Bandwidth Charges
99.30% and above but below 99.40%	80% of Monthly Bandwidth Charges
99.00% and above but below 99.30%	70% of Monthly Bandwidth Charges
98.50% and above but below 99.00%	60% of Monthly Bandwidth Charges

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

Below 98.50%	50% of Monthly charges and the Company also reserves the right to terminate the contract.
--------------	---

For calculating 100% uptime following example to be considered:- If there are 30 days in a calendar month, then total time would be 43,200 minutes. The acceptable down time would be 0.432 minutes (0.001%) for making full payment for the month based on following calculations.

$$(43200 - 0.432) / 43200 * 100 = 99.999\%.$$

The Bidder should proactively monitor the downtime status and advise the company. CFHL may provide SNMP V3 based read only access, however ISP should be able to achieve the proactive monitoring through other mechanisms also.

Note:

- i. The location is said to be down if unable to get traffic on the router.
- ii. Exclusions: Down time due to following situations will not be considered for the purpose of penalty calculation:
 - a) Scheduled maintenance by the ISP with 7 days prior intimation to CFHL.
 - b) Link down due to power/router failure at CFHL location/office.

The above parameters are measurable between ISP POP to the Company’s perimeter device in a standalone testing procedure using BERT meter/ any equivalent meter and reports generated there at.

- b) Mean Time between Failures (MTBF):** Vendor shall ensure that the Mean Time between Failures (MTBF) (including any malfunctioning, breakdown or fault) in the equipment or any part thereof, during Contract period, not more than four occasions in preceding 90 days, it shall be replaced by equivalent/ superior new equipment / link / cross connect or part thereof by Vendor immediately at free of cost during the contract period.
- c) Preventive maintenance:** Vendor shall conduct preventive maintenance (including but not limited to inspection, testing, satisfactory execution of all diagnostics, cleaning and removal of dust and dirt from the interior and exterior of the equipment, and necessary repair of the equipment) once within first 15 days of every quarter during the currency of the Contract on a day and time to be mutually agreed upon. Notwithstanding the foregoing Vendor recognizes the Company’s operational needs and agrees that the Company shall have the right to require Vendor to adjourn preventive maintenance from any scheduled time to a date and time not later than 15 working days thereafter.
- d)** Vendor shall provide replacement equipment if any equipment is out of the premises for repairs. All uptime and SLA terms will be site wise.
- e)** All sites will have links with dual paths. Therefore, uptime & SLA will be calculated site wise rather than links wise.

12.2 For the shifting of ILL links, the Bidder shall be informed of the same, However the shifting of links should be performed by the bidder without any additional cost. All the terms of this RFP, after

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

such shifting to the alternate site and reinstallation thereof would continue to apply and binding on Vendor.

12.3. Penalty for delay in commissioning/shifting/bandwidth-upgrade of ILL link(s):

- 1) Delay in commissioning of the ILL links in all locations within 4 months from the date of issue of PO

Every week (or part thereof) of delay till next 2 weeks per link	1.0 % of Annual Order Value of the per link.
Every week (or part thereof) of delay till next 2 weeks per link (beyond the initial 2 weeks)	5 % of Annual Order Value of the per link.
Every week (or part thereof) of delay beyond initial 4 weeks	10 % of Annual Order Value of the per link.

- 2) Delay in shifting of link after 30 days from the date of receiving the request from company:

Every week (or part thereof) of delay till next 2 weeks per link	1.0% of Annual Order Value of the affected site, per link cost.
Every week (or part thereof) of delay till next 2 weeks per link (beyond the initial 2 weeks)	5% of Annual Order Value of the affected site, per link cost.
Every week (or part thereof) of delay beyond initial 4 weeks	10% of Annual Order Value of the affected site, per link cost.

- 3) Delay in downgrade/upgrade of link bandwidth as and when required by the company within 21 days if front end visit is involved and 7 days when changes are confined to back-end from the date of receipt of the request:

Every week (or part thereof) of delay till next 2 weeks per link	1.0 % of Annual Order Value, per link.
Every week (or part thereof) of delay till next 2 weeks per link beyond the initial 2 weeks	5% of Annual Order Value, per link.
Every week (or part thereof) of delay beyond initial 4 weeks	10% of Annual Order Value, per link.

12.4 Penalty for breach in latency requirements for individual sites:

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

Latency	Penalty (% of the monthly bandwidth charges for the location) #
> 25 ms for continuous period of more than 30 minutes (for path media)	0.5% of monthly rental for every hour or part thereof (excluding the first 30 minutes)

Note:

Latency will be measured between Company’s Data Centre (AWS cloud) and the service provider PE router at the branch. The latency report may be sought by the Company during the period when a problem is reported.

12.5 Penalty for breach in jitter requirements (if applicable) for individual sites:

Jitter	Penalty (% of the monthly bandwidth charges for the location)#
> 10 ms for a continuous period of more than 30 minutes	0.5% of monthly rental for every hour or part thereof (excluding the first 30 minutes)

E.g.:

Say if Jitter of link is more than 10 ms for 3 hrs. in a calendar month then penalty calculation would be as under:

$$\{(180 \text{ min} - 30 \text{ min}) / 60 \text{ min}\} * 0.5\% \text{ of monthly rental}$$

12.6 Penalty for breach in responding to issues/complaints lodged by the Company:

Technical Severity Level	Expected Response Time	Penalty for delay in response
Level 3 (High)	30 minutes	INR 15000 per incident
Level 2 (Moderate))	60 minutes	INR 10000 per incident
Level 1 (Low)	120 minutes	INR 5000 per incident

Note:

Severity levels defined as under:

Level 3: The Data Centre and DR is not reachable from at least 70% sites.

Level 2: The Data Centre and DR is partially reachable due to performance of the links/equipment at Service Provider level, one or more application impacted.

Level 1: At least 1 application impacted partially.

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

12.8 In case the Bidder is unable to provide links to 100% locations within the stipulated period in this document, the Bidder shall be liable for a penalty of five times of the monthly link charges of the pendency. This penalty will not be applicable if pendency is from the company side.

The dashboard for monitoring to be provided by the Bidder should also include latency, bandwidth utilization, jitter, status of both ILL links. Penalty for noncompliance for the same will be 3% of the monthly billing amount.

Maximum Penalty 10% of the quarterly billing

13. Payment Terms:

Financials Submission for Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches as per below terms:

- Payment shall be released Quarterly in arrears post deducting applicable TDS and penalty for downtime during the current quarter if any, and after submission of monthly uptime report by the selected Bidder.
- For the ILL links for upcoming new branches/locations apart from the Branch details the prices quoted in this RFP as per the Part-C Commercial Bid price shall remain constant however any further price reduction in future should be passed on to CFHL accordingly.
- The bidder has to submit documentary proof for completion of commissioning of ILL links.
- The penalty amount will be deducted as per the SLA defined in this RFP.
- The vendor has to submit link installation reports and penalty confirmation.
- The ISP/bidder shall strictly follow the payment instruction provided above and submit the same while claiming payments for each quarter.
- After Successful commissioning of links, the Bidder will raise the bills in arrears during the first week of next quarter. Bidder should raise the bill from the date of successful link commissioning recorded.
- The invoices should have necessary Bank Details like Account No., Bank's Name with Branch, IFSC Code etc. along with link circuit ID, commissioning date and bandwidth information.

14. Technical Support:

The bidder should have resources PAN India capable of meeting the service & support standards as specified in this RFP. In the event of ILL link down Bidder should ensure their best efforts in resolving the occurring issues within the specified time lines to avoid any penalties as per SLA. All support services need to adhere to CFHL working hours (including Saturdays) and holidays or as and when required by CFHL.

15. Order Cancellation

The CFHL reserves its right to cancel the order in the event of one or more of the following situations, that are not occasioned due to reasons solely and directly attributable to CFHL alone;

- i. Delay in delivery is beyond the specified period as set out in this RFP and the Purchase Order before acceptance of the product; or,
- ii. Serious discrepancy in the quality of service expected as per SLA parameters mentioned under clause no 12 in this RFP (Frequent link disconnections, inappropriate bandwidth allocation, abrupt packet losses, poor service etc.).

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

iii. If a Bidder makes any statement or encloses any form which turns out to be false, incorrect and/or misleading or information submitted by the bidder turns out to be incorrect and/or bidder conceals or suppresses material information.

In case of order cancellation, any payments made by CFHL to the Bidder for the particular service would necessarily have to be returned to CFHL. Further the Bidder would also be required to compensate CFHL for any loss incurred by CFHL due to the cancellation of the Purchase Order and any additional expenditure to be incurred by CFHL to appoint any other Bidder. The same shall be limited to TCO (Total cost of Ownership).

15.1 Termination for Owner’s Convenience:

The Company, by written notice of at least 90 days prior, of its intention to terminate services without assigning any reasons shall send to the Bidder, to terminate the Agreement, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Company’s convenience, the extent to which performance of the Bidder under the Agreement is terminated and the date upon which such termination becomes effective.

The Work that is complete and ready for commissioning as on the date of Bidder’s receipt of notice of termination shall be accepted by the Company on the terms and prices mutually agreed at that time.

16. Settlement of disputes:

- 16.1 All disputes or differences whatsoever arising between the parties out of or in relation to the construction, meaning and operation or effect of these tender documents or breach thereof shall be settled amicably.
- 16.2 If, however, the parties are not able to solve them amicably, the same shall be settled by arbitration in accordance with the provisions of Arbitration and Conciliation Act 1996 or any statutory modifications or re-enactments thereof and the rules made there under and for the time being in force, shall apply to the arbitration proceedings. The sole arbitrator shall be appointed with the mutual consent of both the parties. The seat of the arbitration shall be Bangalore.
- 16.3 During the arbitration proceedings the bidder shall continue to work under the contract unless otherwise directed in writing by the company.

17. Legal Disputes:

The Company clarifies that the Company shall be entitled to file an injunction, restraining order, right for recovery, specific performance or such other equitable relief as a court of competent jurisdiction may deem necessary or appropriate to restrain bidder/prospective bidder from committing any violation or enforce the performance of the covenants, obligations and representations contained in this RFP. These injunctive remedies are cumulative and are in addition to any other rights and remedies the Company may have at law or in equity, including without limitation a right for recovery of any amounts and related costs and a right for damages. In addition, notwithstanding the foregoing, claims for preliminary injunctive relief, other pre-judgement remedies and claims for the Company’s failure to pay for Service(s) in accordance with the Agreement, may be brought in a court of competent jurisdiction over the parties and the subject matter.

18. Governing Law and Jurisdiction:

This agreement shall be governed exclusively by the laws of India and the transaction contemplated herein shall be subject to the exclusive jurisdiction of the competent courts in Bangalore only.

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

19. Limitation of Liability

In no event shall Can Fin Homes Ltd. be liable for any proven consequential, special, punitive, incidental or indirect damages.

20. Confidentiality:

Vendor acknowledges that it is, may be or will be privy to Confidential Information (as defined below). Vendor agrees it will use the Confidential Information only in furtherance of its work under this Purchase Order and shall not transfer or otherwise disclose the Confidential Information to any third party except as provided for herein. Vendor shall:

(i) Give access to such Confidential Information solely to those of its employees with a need to have access thereto in furtherance of or in connection with this Purchase Order or as required by applicable law; and

(ii) Take the same security precautions to protect against disclosure or unauthorized use of such Confidential Information that Vendor takes with its own confidential information, but in no event shall Vendor apply less than a reasonable standard of care to prevent such disclosure or unauthorized use. As used herein, “Confidential Information” means any and all information relating to Company and any of its respective affiliates that may be received by or be provided to Vendor from time to time, including, without limitation, equipment and business specifications, business records or data, trade secrets, and confidential planning or policy matters, business strategies, internal policies, and procedures, matters subject to attorney-client privilege, and any financial or accounting information, the existence of this or any other agreements or communications between Vendor and Company, and the terms of any such agreement, and all data, reports, interpretations, forecasts and records containing or otherwise reflecting information concerning any such person or entity, together with analysis, compilations, studies or other documents, whether prepared by Vendor or Company, which contain or otherwise reflect such information. Vendor shall not use the Company’s name, or the names of its respective subsidiaries or affiliates, in any sales or marketing publication or advertisement, without the prior written consent of Company.

21. Data Protection, Security and Use of Information:

Bidder hereby unequivocally agrees to undertake all measures, including security safeguards, to ensure that the information in the possession or control of the Bidder, as a result of operation of this engagement, is secured and protected against any loss or unauthorized access or use or unauthorized disclosure thereof. It is hereby mutually agreed between the parties that Can Fin Homes Ltd., assumes no responsibility or liability for any misuse of the Confidential Information and other data in the control of Bidder. This clause shall survive the termination or expiration of this order.

22. Directors and Employees of the Company Not Individually Liable:

No Director or official or employee of the Company shall in any way be personally bound or liable for the acts or obligations of the Company under the Contract or answerable for any default or omission in the observance or performance of any of the acts, matters or things which are herein contained.

23. Defense of Suits:

If any action in court is brought against the Company or an officer or agent of the Company, for the failure, omission or neglect on the part of the bidder to perform any acts, matters, covenants or things under the Contract, or damage or injury caused by the alleged omission or negligence on the part of the Vendor, his agents, representatives or his Sub-Contractor’s, or in connection with any claim based on lawful demands of Sub-Contractor’s workmen, suppliers or employees, the Vendor,

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

shall in such cases indemnify and keep the Company and/or their representatives harmless from all losses, damages, expenses or decrees arising out of such action.

24. Indemnity:

The Bidder shall, at its own expense, defend and indemnify the Company against any third-party claims for infringement of patent, trademark, design or copyright arising from use of proposed product/products or any part thereof. Bidder will provide infringement remedies and indemnities for third party Products, on a pass-through basis. If the company is required to pay compensation to a third party resulting from such infringement, the Bidder shall be fully responsible to pay such compensation along with all costs, damages and attorney's fees and other expenses that a court may finally award, in the event of the matter being adjudicated by a court or that be included in a Bidder approved settlement. The Company will issue notice to the Bidder of any such claim without delay and provide reasonable assistance to the Bidder in disposal of such claim, and shall at no time admit to any liability for, or express any intent, to settle the claim. The Bidder shall also reimburse all incidental costs, which the Company may incur in this regard.

25. Visit Rights:

CFHL and/or its authorized representatives, including auditors, consultants, its regulators shall have the right to visit any of the Bidder's premises with prior notice. The successful bidder has to provide access to locations relating to the scope of work defined in this RFP.

26. Compliances to Outsourcing Activities:

The selected bidder should ensure that they are compliant with the Latest Master Directions on Outsourcing of IT Services by Reserve Bank of India (Circular No: RBI/2023-24/102 DoS.CO.CSITEG/SEC.1/31.01.015/2023-24 dated April 10, 2023) and its amendments thereof from time to time during the entire tenure of the contract.

27. Performance Bank Guarantee, Earnest Money Deposit and Negotiation:

27.2 Performance Bank Guarantee

The selected Bidder would be required to submit a Performance Bank Guarantee to CFHL for an amount equivalent to 10% of Total Cost of Ownership as mentioned in the purchase order within 14 (fourteen) days of purchase order acceptance date. The Performance Bank Guarantee(s) will be valid for 5 years with a claim period of 12 (twelve) months from the date of expiry of the validity period of the Bank Guarantee (BG) and such other extended period which is co-terminus to the life of the work order. The Performance Bank Guarantee(s) should be issued by any Indian Public Sector Bank. A format for Performance Bank Guarantee will be shared with the successful Bidder. The Performance Bank Guarantee is required to protect the interest of purchaser against the risk of non-performance of the successful Bidder in respect of successful implementation of the project which may warrant the invoking of Performance Bank Guarantee (PBG), also if any act of the bidder results in imposition of Penalties/Liquidated Damages then CFHL reserves the right to invoke the submitted Performance Bank Guarantee.

27.2 Earnest Money Deposit

EMD is required to protect CFHL against the risk of Bidder's conduct. The Bidder shall furnish EMD for the amount INR 5,00,000 (Rupees Five Lakhs Only). Bid Security (EMD) of unsuccessful Bidders will be refunded to the bidders only after successful onboarding (signing of the contract and submission of Performance Bank Guarantee) of the selected bidder. The EMD should be either in the form of Demand

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

Draft (DD) favoring “Can Fin Homes Limited”, payable at Bangalore or Bank Guarantee (BG) to CFHL for an equivalent amount.

Such Bank Guarantee(s) will be valid for period of one year from Bid Submission date and must be extended as required by CFHL (till the onboarding of successful bidder and submission of PBG). CFHL Guarantee(s) should be issued by any scheduled commercial bank.

EMD must be submitted at the time of Bid submission by the bidders. No interest will be payable on the Bid Security (EMD) amount. Bid security (EMD) to all the bidders will be released after submission of the Performance Bank Guarantee by the selected Bidder.

EMD will be forfeited in the following cases:

- a) If a bidder withdraws its bid during the period of bid validity and/or
- b) In case of a successful Bidder if the Bidder fails:
 - 1. To execute the Contract within the stipulated time on mutually agreed terms and conditions and/or
 - 2. To furnish Performance Bank Guarantee within the stipulated time
 - 3. The Bidder refuses to accept purchase order

EMD should be enclosed with the Part A. Any Bid not accompanied by EMD for the specified amount as mentioned in this RFP will be rejected as non-responsive.

27.3Negotiation:

After selection of the bidder post QCBS, CFHL reserves the right to conduct confidential independent assessment of commercial proposal and re-negotiate the price of the entire contract with the selected (T1L1) bidder at more favorable commercials. CFHL can conduct this exercise till the issuance of the PO.

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

34. ANNEXURE – VII – Scope of Work

Detailed scope of work:

Sl. no	Details	Compliance Yes/No	Remarks
1.	Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) with dual path connectivity for Branches as per listed items under clause no. 4. Requirements.		
2.	The Selected Bidder/ISP should provide Internet Leased Line (1:1 uncompressed and unshared) with dual path connectivity on fiber channel only as primary choice of media, however non feasible location with any of the available ISP can be provided with RF channel.		
3.	The Selected Bidder/ISP should provide Internet Leased Line (1:1 uncompressed and unshared) on fiber channel with dual path connectivity.		
4.	The Selected Bidder/ISP should provide Internet Leased Line (1:1 uncompressed and unshared) with listed Bandwidth as per clause no. 4. Requirements. However, provision for bandwidth increase/decrease should be made available as and when the need arises for any of the locations as per the submitted rate card (Annexure IX). Can Fin Homes Ltd. will provide intimation for the same over e-mail communication and the Selected Bidder/ISP should ensure the bandwidth upgrade/downgrade happened within 2 Hrs after acknowledging the request via e-mail communication. The change in link cost to be included in the next billing cycle accordingly.		
5.	The Selected Bidder/ISP should provide Internet Leased Line (1:1 uncompressed and unshared) with redundant dual path connectivity having different paths and exchanges.		
6.	The Selected Bidder/ISP should provide Internet Leased Line (1:1 uncompressed and unshared) with 4 IPV4 address for all other locations (RO, Zonal offices, Branches), Also the Selected Bidder/ISP should ensure that the assigned IP address should not be in a blacklisted category worldwide. However, 4 IPV6 address to be made available as and when needed by the Company without any additional cost.		
7.	The Selected Bidder/ISP should monitor and manage all the ILL links 24x7x365 basis and should provide access to the monitoring dash board to Can Fin Homes Ltd.		
8.	The Selected Bidder/ISP should restore the Link fault/down links as per the SLA mentioned in clause 12 of this RFP.		
9.	The Selected Bidder/ISP should ensure the commissioning of links in phased manner as per branch list (Appendix -F), where priority -1 location will be in phase -1 and so on. However the complete link commissioning should be completed with 4months from the date on release of the PO.		
10.	Apart from specified locations in the Appendix - F the link commissioning for new branches will on the same terms and condition and rate cards submitted by Bidder as per this RFP however any reduction in link cost should be transferred to us as applicable. Below are mentioned steps for new link commissioning: - 1. Feasibility report confirmation		

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

Sl. no	Details	Compliance Yes/No	Remarks
	2. Cable laying upto CFHL’s router with dual path connectivity (refer point 5). 3. Link commissioning confirmation with Branch seal and signature with reachability report to DC and DR (ping report) attached. 4. The new link to be commissioned as per SLA defined under clause 12.		
11.	The Selected Bidder/ISP should support SD-WAN implementation with IPSEC VPN parameters and all encryption methods.		
12.	Company should be able to deploy QoS at its discretion for data, video, audio etc. The Selected Bidder/ISP should not have any limitations for the above.		
13.	The Selected Bidder/ISP should ensure maintenance of dashboards but not limited to: a. Link utilization reports. b. Link fault incidents c. RCA for down time for the links d. Detailed DDoS reports. (if Subscribed) e. Packet loss, jitter and latency reports till the CFHL’s devices (RO, ZO and all branches) f. Any other reports required by the Company. g. Historical data management. Submission of reports on compliance Monthly basis and as and when required pertaining to the requirements as specified in the RFP and/or pointed out by the Company’s auditors during the contract period.		
14.	The Selected Bidder/ISP should provide all the equipment, wires fiber cables required for installing and commissioning the ILL links without any additional cost.		
15.	The Selected Bidder/ISP should coordinate with our system integrator if need arises for any kind of troubleshooting etc.		
16.	The Selected Bidder/ISP should be able to enable the DDoS protection on all the provided ILL links, as and when required with mutually agreed terms and conditions.		
17.	The Selected Bidder/ISP should ensure adequate no of manpower/technicians for deploying the ILL links across all locations.		
18.	As the need arises to restore the faulty ILL links the Selected Bidder/ISP should replace all faulty equipment, modem, Fiber cables etc. without any additional cost to Can Fin Homes Ltd.		

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

Sl. no	Details	Compliance Yes/No	Remarks
19.	The Selected Bidder/ISP should ensure that the link monitoring parameters (Latency, Jitter, Packet loss etc.) as per defined SLA in this RFP 24x7x365 days basis.		
20.	The Selected Bidder/ISP will obtain all the necessary clearances, permissions, licenses/permit etc. from all the authorities concerned to provide network connectivity at the CFHL’s Branch location, RO and ZO’s as specified in this document, Also the Bidder need to ensure cable management, dressing and racking of devices in proper manner.		
21.	The Selected Bidder/ISP should ensure the link uptime as per defined SLA under clause 12 in this document throughout 24x7x365 days, with SLA parameters intact, in absence of which penalty will be applicable as per the RFP terms.		
22.	The Selected Bidder/ISP should ensure the shifting of ILL links in case of change in branch address, the same should be completed within the specified timelines as per SLA without any additional cost. All the checks to be performed as described in point no 12.		
23.	The Selected Bidder/ISP should ensure downtime report to be submitted on every month without fail, including reports depicting network monitoring parameters (Latency, Jitter and packet loss) for each link.		
24.	The Bidder in case providing the ILL links on RF (Radio Frequency) media, there should not be any additional cost to company for any additional hardware such as antenna and other additional equipment.		
25.	The Bidder in case providing the ILL links on RF (Radio Frequency) media, there should follow all the SLA parameters under clause 12 in this document.		
26.	The Bidder in case of providing RF path connectivity should ensure secure media channel to prevent any type of signal interception possibility. The Bidder should present certified document in this regards.		
27.	The Bidder in case of providing RF path connectivity should ensure there should not be any substantial difference in the quality of links, however expected latency and jitter should be presented by the Bidder to CFHL before initiating the RF link installation for the confirmation from CFHL.		
28.	The Bidder in case of providing RF as path connectivity will be responsible for maintenance of all the related equipment (Antenna, RF Mux etc.) without any additional cost to CFHL.		
29.	The bidder must provide services for "resolving" or "caching" DNS servers that CFHL may use for domain name look-ups.		
30.	Proposed internet links must be delivered up to CFHL router on Ethernet handoff via Multimode Fiber optic link.		

REQUEST FOR PROPOSAL (RFP) FOR “Implementation, Installation, Commissioning and Management of Internet Leased Line (OFC) (1:1 uncompressed and unshared) for Branches”

Sl. no	Details	Compliance Yes/No	Remarks
31.	The proposed network architecture must utilize a single Autonomous System (AS) number across all geographical regions rather than employing multiple AS numbers per region or country.		
32.	The bidder must ensure ISP should support both static and Dynamic routing protocol such as BGPv4 between CFHL and Provider end router. At later stage If CFHL requires multi-homed Network, Then ISP should configure dynamic routing to support routing of the CFHL's network number(s).		
33.	The bidder should not terminate the connections of other customers on the devices installed at premises and should furnish an undertaking to this effect.		
34.	Provision of the link is subject to satisfactory Acceptance Test. The bidder shall arrange for the UAT and required tools as per CFHL's requirements. After commissioning the links, an acceptance test will be conducted. The link commissioning is deemed to be complete only if the acceptance test results are found satisfactory. Acceptance tests will be conducted by CFHL at its premise at Bangalore.		
35.	The bidder should provide proactive 24x7 supports and should have facilities for 24x7 Centralized call center and NOC. Also, the bidder should have adequate resources to provide immediate support in case of link break downs or any such issues/problems.		
36.	Circuit should be in Ring architecture with different exchange connected to take care of path failures.		
37.	In the event bidder is providing link from different ISP's the same should give preference to Tier 1 service provider.		
38.	The proposed ISP should have multiple international cable systems for redundancy. Best route selection should be done dynamically and CFHL traffic should be routed through the most appropriate path automatically.		
39.	The service provider should give confirmation of availability of on-line fault detection mechanism of circuits/CPE at the service provider's NOC along with the proposal/solution.		
40.	The Bidder should Ensure the 100% Bandwidth allocation and delivery to each link and the same should be presented/shown in the monitoring dashboard.
